Running benefits "OUR" community

San Francisco's beautiful Golden Gate Park was the perfect backdrop to over 500 GLBT athletes and friends on June 25, 2005. San Francisco FrontRunners Pride Run raised over \$12,000 to support the UCSF Aids Health Project and Family Builders by Adoption.

Fogfest II - Boys, Brawn, and Beer

Boys will be boys... rough play is what Fogfest is all about! The annual harlots-style rugby festival is where gay men come together to bond, play, and socialize. This year's Fogfest II held on June 25 brought 225 rugby players to Treasure Island in the heart of the San Francisco Bay.

Carlo Deason, 35, from Houston, TX led the 5K run and finished in a mere 17:07. The women's overall 5K winner was Lesley Kothe, 30, of San Francisco in 21:35. The 10K winner's circle included the overall male leader Toshiyuki Okugi, 34, of Palo Alto finishing the race with a time of 36:40 followed by Cara Wick, 30, of San Francisco beating out the women with a time of 43:44.
